

Monday 29 June

	room 1	room 2	room 3	room 4	room 5	poster hall
09:00	opening session					
09:30	2026 Alfvén					
10:00	Early Career					
10:30						
11:00	coffee break					posters up
11:30	Corde BPIF					
12:00	Qiao BSAP					
12:30	Janvier BSAP					
13:00						
13:30						
14:00						poster session 1
14:30						
15:00						
15:30	coffee break					
16:00	Eich MCF					
16:30	Wauters MCF					
17:00						
17:30	Jakubowski MCF					
18:00	2025 Alfvén (I.007)					posters down
18:30	welcome reception					
19:00	welcome reception					
20:00	welcome reception					
21:00	welcome reception					

Tuesday 30 June						
	room 1	room 2	room 3	room 4	room 5	poster hall
09:00	MCF: Stellarator	MCF: Div/SOL	BSAP: session #1	LTDP: Magnetized plasmas	BPIF: Laser- plasma radiation sources	posters up
09:30						
10:00						
10:30						
11:00	coffee break					
11:30	Bonitz BSAP					
12:00	Nagayama BSAP					
12:30	Tribute to N. Loureiro					
13:00	Lunch Event: Women in Plasma					
13:30						
14:00						
14:30						Poster session 2
15:00						
15:30						
16:00	coffee break					
16:30	MCF: NT / ELM- free	MCF: Long pulse & future devices	BSAP: session #2	BPIF: Direct Drive	BPIF: Applications of laser-plasma sources	
17:00						
17:30						
18:00						posters down

Wednesday 1 July

	room 1	room 2	room 3	room 4	room 5	poster hall
09:00	2026 Innovation Prize (LTDP)					
09:30	Borras LTDP					
10:00						
10:30	Sun LTDP					
11:00	coffee break					
11:30						
12:00	MCF: Gyrokinetic and L-H	MCF/LTDP: Diagnostics	BSAP: session #3	LTDP: Plasma processing and applications I	BPIF: High power laser-plasma interaction	
12:30						
13:00						
13:30						
14:00	tours					
14:30						
15:00						
15:30						
16:00						
16:30	public lecture : Neil Turok					
17:00						
17:30						
18:00						
18:30						
19:00						

Thursday 2 July						
	room 1	room 2	room 3	room 4	room 5	poster hall
09:00	MCF: High beta / beta-pol	MCF: Transport & high confinement regimes	BSAP: Session #4	BPIF: Coronal plasma and laser- plasma instabilities	LTDP: Plasma processing and applications II	posters up
09:30						
10:00						
10:30						
	coffee break					
11:00						
11:30	Palastro BPIF					
12:00	Zheng BPIF					
12:30	Kluge BPIF					
13:00	Vision for Fusion: Inertial Fusion Energy - Future Prospects					
13:30						
14:00						
14:30						
15:00						poster session 3
15:30						
16:00	coffee break					
16:30	Angioni MCF					
17:00	tribute to F. Romanelli					
17:30	Sauter MCF					
18:00						posters down
18:30						
19:00						
20:00	gala dinner					
21:00						

Friday 3 July						
	room 1	room 2	room 3	room 4	room 5	poster hall
09:00	MCF - stellarators: status and future			BSAP: session #5	BPIF: Plasma Physics at XFEL facilities	
09:30						
10:00						
10:30	Aleynikova MCF					
11:00	coffee break					
11:30						
12:00	MCF: Disruption physics	BSAP: session #6		BPIF: Plasma-based accelerators	LTDP: Dusty plasmas	
12:30						
13:00						
13:30						
14:00						
14:30	MCF: Energetic Particles	MCF: Operation with tungsten	BSAP: Session #7	BPIF: High Field and QED	BPIF: Burning plasma and transport	
15:00						
15:30						
16:00	coffee break					
16:30	closing ceremony
